Enquires ~~that~~ if Birur which
contains a population of 5701
according to the Census of 1901 has
not been proposed to be constituted
into a permanent Municipality under
the New Municipal Reg'n

From the (President). Dy Comm.
No 85 488 & 5 5 1908

With reference to the above
enquiry states that the population
of Birur during the 3 years ending
1906 of having been reported
to have fallen below 5000, the
town was not recommended
to be constituted into a Muni-
cipality.

The population of Birur
in 1906 of is said to have been
4991 which is below 5000 only
by 9. The town of Birur seems
to be of sufficient importance to
be constituted into a Muni-
cipality under the New Regula-
tion. If approved, the Dy Commr will

will be requested to state if
he does not think so too.

19.5.08 The year 1907-08 is drawing
to a close. It is very likely

that the population of the town
for the current year will exceed
the limit of 5000. We may
wait for some time and then
see whether Minor Council be
classified as a Municipality under the
ordinary rules.
